

## Seneca Residence Virtual Tour Written Description.

Two-Bedroom Suite – Newnham Campus.

This description is provided for users that are using screen-readers or cannot access the 3D Virtual Tour.

The linked Virtual Tour for Seneca Residence Newnham Campus shows a staged ‘standard’ suite. This suite has been decorated to show what it could look like after you move-in.

You enter the suite into the kitchenette. To the left of the entrance is a stainless-steel fridge and a Caesarstone countertop. Above the counter is open cupboard space with a stainless-steel microwave. This suite was renovated in 2018 and also has two white cabinets below the countertop, with two drawers.

In the corner of the kitchenette is a table and two chairs. The floor is a grey vinyl plank that also flows into the washroom.

To the right of the entrance is a three-piece washroom. There is a stand-up shower, a toilet, and a vanity with large mirror and sink.

There are two private bedrooms in this suite.

In the bedroom on the left you’ll find a Double XL bed – it’s the same width as a double, but as long as a queen-sized bed. There’s a large open closet space, that includes two separate spaces to hang clothes, and an open shelving unit with four shelves. There’s a desk with a chair on wheels, and a dresser with three drawers. On top of the dresser is a 32” TV. On the wall in this suite is a thermostat that will control the temperature for the entire suite. There are black-out blinds which are mostly closed.

In the bedroom on the right is also a Double XL bed, a desk with a chair on wheels and a dresser with three drawers. On top of the dresser is also a 32” TV. The closet space in this the same as the other bedroom. The floor in both suites is a dark grey carpet. There are also black-out blinds in this suite.

Should you have any questions about this tour, or any residence facilities, please contact the residence directly.
